

# GLENMORE RD PUBLIC SCHOOL

## SCHOOL BAND & STRING ENSEMBLE JOIN TODAY!

The Glenmore Rd PS Instrumental Music Program is a vibrant and fun part of our school, offering every student the opportunity to learn a musical instrument in a supportive and collaborative setting.

Learn an Instrument and join our Glenmore Rd PS School Music Community in 2022!

We are excited to be welcoming our newest young musicians to join our music community in 2022! Learning a musical instrument is a wonderful skill for young people, and provides many rewarding benefits to a child's development. Most importantly, playing music with our friends is fun!

Music is all about Connection and Communication, and we are grateful for our school's wonderful music community. We have 2 concert bands and a string ensemble and together we participate in many events and performances both at school and in the wider community throughout the year.

All students receive a weekly private lesson with a specialist tutor to perfect their skills on their chosen instrument, PLUS a weekly ensemble rehearsal which helps with teamwork and confidence, PLUS regular performances to share our music
