- It was noted that David Wallis was an apology.

2. Minutes & Matters Arising

- + The minutes from 3 March 2021 were accepted.
- + No additional business arising from previous meeting.

4. Reports

+ President's Update

- It was noted that the Principal's wish list should align with the P&C's fundraising initiatives with the primary purpose of the P&C being to give back to the school.
- By Laws for the P&C need to be considered with comments to be provided to the President before the next meeting on tenure of positions, timing for AGM, timing for meetings and the location of meetings.
- Draft rules for Sub-Committees to be approved.

It was noted that Kate from KMD Law and Advisory had generously agreed to sponsor an ice cream cart on the last day of each term. Volunteers were requested.

+ Principal's Update

- The school plan has been submitted today to be uploaded to the website.
- Detailed information was provided by the Principal around the strategic direction of the school with communication and moving teachers into learning platforms where both students and teachers are active participants being the current focus.
- It was noted that today's newsletter should reflect what is happening with the COVID-19 guidelines with suggestions by the media that there will be a loosening of restrictions. Adjustments will be made as soon as the school is able to make them in accordance with the guidelines.
