

Year 3 Newsletter and Learning Overview Term 2

Dear Parents and Caregivers,

Another busy term awaits. The following information provides details for important events and activities this term.

Sport

Winter sport Commences Friday 5th May. The students have the opportunity of participating in a variety of sporting activities. There is PSSA Soccer, Netball and Rugby League/Union and a multi-sports program conducted at Sydney University. Please remember to send your child in appropriate clothing and footwear, sun protection and bring a water bottle for these activities.

Important Events and Days

Got Game sessions are scheduled each Monday for Year 3. Please wear appropriate clothing. Library day is Wednesday. Please bring a library bag.

Wakikiri sessions will take place Wednesday mornings from 8.15am.

The Year 3-6 Multicultural Perspectives Public Speaking Competition takes place in Week 6. Information has been sent home.

Our annual Cross Country carnival will be held on Thursday 11th May at Trumper Park and our students will be attending a walking excursion through Paddington in conjunction with our history unit late this term.

Homework

Homework will be sent home each Tuesday and returned on Monday. This will give students the opportunity to utilise the weekend to complete set tasks.

We are looking forward to a productive term of learning,

Dorothy Bosnar and Aidan Brown

Year 3 Teachers

Stage 2 Term 2 Science

Students in stage 2 will be studying a unit, “Melting Moments” from the Chemical Sciences strand of the Science Curriculum. Students will explore how solids and liquids are influenced by temperature and the way items from their everyday life can change due to temperature changes.

STEM lessons will be taught by Mrs Southwell-Keely. This term the students are designing, making and code a robot.

Stage 2 Term 2 History

In Term 2, students will begin the unit of work, "Community and Remembrance" (also known as Then and Now). This unit will be continued in Term 3.

They will focus on the key inquiry questions:

Who lived here first and how do we know?

How has our community changed?

What features have been lost and what features have been retained?

There will be a case study on the Paddington area, focusing on GRPS, Paddington Reservoir, Juniper Hall and Victoria Barracks. walking excursion to visit these significant locations is planned fr the end of this term.

Stage 2 Term 2 Creative Arts

In Visual Arts the students will use a variety of techniques and media to further develop their skills in perspective drawing, shading and sketching in preparation for our excursion up to Oxford St to sketch Paddington Reservoir and Juniper Hall. Students will use pencil, charcoal and watercolours/.

Using a variety of media, students will study and then construct a Paddington terrace out of various materials.

Stage 2 Term 2 PDHPE

The students will be participating in the "You Can Do It" program with a focus on confidence, persistence, goal setting, time management and teamwork.

Students will participate in Smiling Minds on a weekly basis. They will follow a whole school programme which focuses on developing mindfulness practices. Smiling Mind Mindfulness program focuses on movement, recognising emotions, managing emotions, self-compassion and optimism.

The Y Safe Cyber Safety in conjunction with our focus on safe internet and cyber use, will be taught by class teachers.

In physical education, students will participate in Got Game activities focusing on athletics skills in preparation for the school's athletics carnival and they will also engage in winter sport on Fridays after Break 1.

Kind regards,

Genevieve Andersen, Dorothy Bosnar, Aiden Brown and Kristie Noble.
